

STEM Service Learning Institute
August 5-7, 2009
Team Progress Report and Follow-up

School		District	
---------------	--	-----------------	--

Project Team Members

Name	Grade level/Subject

- 1. Issue area**
- 2. Brief outline of your project idea(s)**
- 3. List potential or actual partners**
- 4. Next steps and timeline** (list at least three)
- 5. What assistance do you need to move forward?** (identifying partners, resources, issue experts, planning assistance, etc.)

Region 3 STEM Service Learning Network

1. Describe the support from the network that would be most useful to you
- 2. Technology:** What technology would you be interested in using/learning about to support your project?
- 3. Follow-up session:**
 - a. What **topics** would you like to see addressed in the follow-up session?
 - b. Timing.** We will be meeting again in either November or January, probably after school. List dates that don't work for you (e.g. finals week)
